

## (PCS) MASTER STEWARDSHIP PLANNING CASE STUDIES

(Course titles in purple-fill rows available **ON-DEMAND**; those in gray-fill are in development.)

### Case Study #1: The Bennett Family

An intentional transformation journey where families and businesses are guided to discover the greatness, growth, governance and generosity in their story. The Bennett family is a couple in their early 50s with three children, and they own a business.

### Case Study #2: The Craig Family

An intentional transformation journey where families and businesses are guided to discover the greatness, growth, governance and generosity in their story. The Craig family is a couple in their late 40s/early 50s with four young children, and they own a business.

### Case Study #3

(Available Spring 2021)

### Case Study #4

(Available Spring 2021)
